

Dear Friend of African Missions:

Trinity Lutheran Church of Freistadt, a congregation of **1,100 members located in Mequon, Wisconsin**, will be hosting our tenth annual auction event to support African Missions on **Saturday, May 4, 2019**. Through the generosity of spirit-minded individuals and businesses, our goal is to celebrate, as well as raise awareness and funds for African Missions through ticket sales, donations of goods & services; auction/raffle purchases; event food/beverage donations; and monetary donations.

In the past nine years our auction has raised over \$476,000 for African mission work here and abroad. Money raised from this event has purchased mosquito nets, dug wells for clean drinking water, and provided other life-saving support to missionaries and the African people.

This event would serve as a great opportunity to acquaint our members and guests with your company's goods or services in a fun, spirit-filled, buying environment. Key donations will be prominently displayed on our church/school website prior to the event and via printed program, announcements and PowerPoint slide presentation during the night of the event.

It is our prayer that you consider a generous donation of merchandise or service to publicize your business. Your gift will be acknowledged with a donation receipt form. Please consult your tax preparer to determine if and to what extent your donation may be tax deductible. Thank you for considering a donation in the name of African ministries!
