

JOURNALS

Confirmands in grades 6-8 will be required to keep journals throughout the years of instruction. Included in these journals will be sermon and worship notes and reflections on what they are reading in God's Word. One journal is to be completed each year within a 40-day period. Parents can help their son/daughter to choose a 40-day season, such as Advent or Lent.

The journals are to be written under the supervision of the parents, and parental participation is encouraged.

The journals of 7th/8th graders will be submitted to Pastor Lehenbauer and the 6th graders to Mr. Adams. However, they will be returned to the confirmands, so they can be retained and serve to show the spiritual growth taking place over time.
